

**Bloom Public School**  
Vasant Kunj, New Delhi-70

**Dear Parent,**

**13.12.2011**

This year students can participate in an International Assessment test called **ASSET** (Assessment of Scholastic Skills through Educational Testing) developed by a renowned team of educational experts. The team comprises IIT, IIM-A alumni; brilliant teachers, principals and eminent educationists. As we are preparing our students for tomorrow and hence it is important for us to understand how well our students are learning, with the help of this team who have been working in the educational research domain for the past 10 years.

Over 1000 schools have incorporated ASSET as part of their curriculum and over 10 lakh students have taken ASSET so far. ASSET is a unique test that checks the depth of students understanding on concepts that are taught in the class. The test is available in English, Maths, Science, Social Studies and Hindi for students of Classes 3 to 10 at a cost of Rs. 150 per subject.

The test consists of multiple choice questions testing 'critical-thinking' and provides feedback on students' vocabulary levels, their ability to comprehend texts in varied formats, their ability to apply the concepts taught to real life situations, their ability to integrate learning from different sources and ultimately develop a love for learning and understanding new things.

All students will receive a **Certificate** and a **Student MYBOOK**. The student MYBOOK is a personalized instructional material for each student, based on their performance in the test. It contains: detailed results highlighting the student's strengths and weaknesses in concepts; practice questions along with the explanations and answers for the concepts that the student is weak in. Thus this booklet is a diagnostic and improvement tool for each student.

Students enjoy doing the ASSET tests as they are stress-free, require no prior preparation and will benefit greatly from the individualized analysis and remedial in the form of practice questions in Student MYBOOK. You may visit [www.ei-india.com](http://www.ei-india.com) for more information on how ASSET is helping children and schools across the country.

**Your consent is important and hence the following slip is to be signed and sent back within 7 days of receipt of this letter.**

These tests would be conducted on the following dates in the month of January 2012, once the school reopens after the Winter Break.

DATE	DAY	SUBJECT
18/1/2012	Wednesday	Science
19/1/2012	Thursday	Hindi
