Visit to the Zoo

RHYMES FOR DECEMBER '11

AN ELEPHANT

An elephant is big and grey,
It walks about with a sway
It has tiny eyes and a tiny tail,
And a very long trunk which can carry a pail.
It has two white tusks,
And two ears like fans,
An elephant gives rides to man.

हाथी

प्यारे हाथी , प्यारे हाथी ,
हमें बना लो अपना साथी,
कैसी मस्त है तुम्हारी चाल,
कर देता हमे बेहाल ।
बढ़ाते हैं हम दोस्ती का हाथ,
मिलकर रहेंगे हम साथ-साथ ।

LEO THE LION

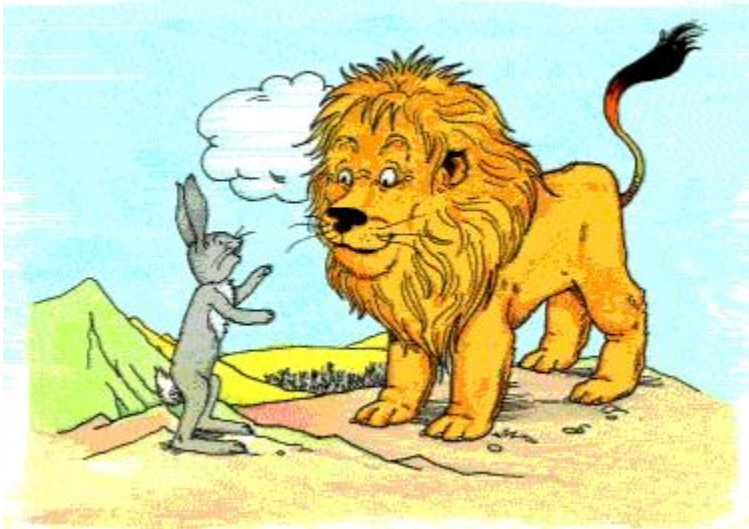

Leo, the lion, is the king of the jungle,
And his jaws are big and wide.
If you hear Leo roaring,
It is bound to be a warning,
You better run and hide.

चिड़िया घर

एक दिन हम गये चिड़ियाघर,
वहाँ देखे अनेक जानवर ।
अन्दर जाकर देखा भालू,
जिसका नाम था कालू ।
कालू ने हमे नाच दिखाया,
और हमारा मन बहलाया,
हाथी पर हमने की सवारी,
यह सवारी थी सबसे न्यारी । ।

STORIES FOR DECEMBER '11

THE LION AND THE RABBIT

A wicked lion lived in the jungle. Whenever he was hungry, he would go out and kill the animals. All the animals were scared. They decided that each day one animal should go to the lion's den and offer himself as his meal.

They asked the lion and he agreed. One day it was the rabbit's turn. He did not want to die. He got an idea. He went very late to the lion's den. The lion was very angry. He asked the rabbit why he was so late. The rabbit told him that another lion had stopped him on the way.

The lion got very angry and wanted to see the other lion. The rabbit took him to a well and when the lion looked in, he saw his own face (reflection). He thought it was another lion . He jumped in to the well and drowned.

THE SHEPHERD BOY AND THE WOLF

A shepherd boy used to take his flock of sheep to graze in the jungle. One day he felt very lonely .He decided to have some fun. So he shouted "Wolf! Wolf! Help! The farmers in the village heard him. They left their work and ran to help the boy and his sheep. When they came they not see any wolf. They asked the boy why

did he

had cried for help when there was no wolf. The boy laughed and said that he was having some fun. The villagers were angry and they went away. The next day the boy played the same trick and annoyed the villagers again. A few days later a wolf really came. The boy shouted for help, but no help came. Everybody thought that the boy was playing his joke again. The wolf killed many of the boy's sheep. The boy felt sorry for telling lies.
