 - b) Rough & Smooth
- 3) Shape – Diamond

CLICK CLICK

Fun with computers

EXPERIENCE OF ENVIRONMENT

- 1) Visit to the Post office
- 2) Local market area

RHYMES FOR JANUARY'12

A BARBER

Barber, barber cut my hair,
Clip it here and clip it there,
Apply all your skills and art,
Please make me look,
Bright and smart

A TAILOR, A COBBLER, A POLICEMAN

I am a tailor making clothes,
Stitch, stitch, stitch my needle goes.
I am a cobbler mending a shoe,
Rat- tat- tat and it is just like new.
I am a policeman, I stand just so,
Telling cars to stop, telling cars to go.

Our Helping Friends

I am a teacher, my work is to teach,
I am a doctor, I help patients in need,
I am a plumber, I mend pipes and taps,
I am a mechanic, I repair cars and cabs,
I am a postman, I bring letters in time,
I am a sweeper, I make the floor shine.

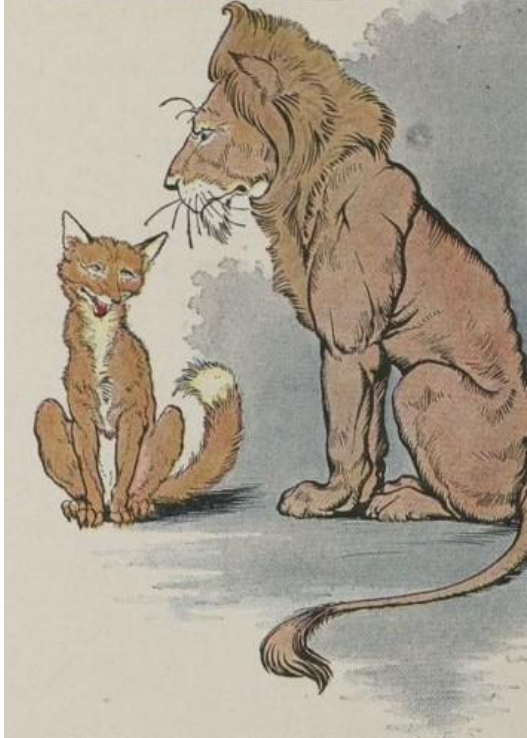

मण्डी

बन्दर मामा गये चुराने
मण्डी में जब आलू,
रंगे हाथ तब पकड़ ले गये
हमें दरोगा भालू।
भालू बोला आज मिले हो
नहीं तुम्हारी खैर,
करनी होगी चार महीने
हवालात की सैर ।

STORY FOR JANUARY'12

THE ELEPHANT AND THE ANT

Once upon a time there lived an elephant in the forest. He used to trample(step on) the smaller animals wherever he went for a walk. One day an ant was walking on the same path. She asked the elephant not to step on her. The elephant said that this time he would let her pass, but next time if she walked on his path he would trample her. The ant quietly went away. She decided to teach the elephant a lesson.

One day the ant found the elephant sleeping under a tree. She quietly crawled into his trunk and started tickling him. The elephant woke up in great discomfort. The ant came out of the elephant's trunk and told him that even a small creature like her can be powerful. He should also respect creatures smaller than him. Then he will have a lot of friends.
