- 1) Exploring numbers – 11 to 20
a) Recognition b) Before, after, between numbers
2) Concepts:
a) Heavy and Light b) Inside and Outside c) Tall and short
3) Shape – Square

CLICK CLICK

Fun with computers

EXPERIENCE OF ENVIRONMENT

Project on germination

RHYMES FOR JULY '11

WAY UP IN THE APPLE TREE

Way up in the apple tree,
Two little apples smiled down at me,
So I shook that tree as hard as I could,
Down came the apples ,
Yum yum, they were good.

BEES

Here is a beehive, where are the bees,
Hidden away where nobody sees,
Here they come creeping out of the hive,
1, 2, 3, 4, 5, buzz they fly.

The Cherry Tree

I had a little cherry tree,
I put it in the ground,
And when next day I came to look,
A tiny shoot I found.
The shoot grew upward , day by day,
And soon became a tree,
I picked my rosy cherries then,
And ate them for my tea.

GOD MADE TREES

God made trees
God made leaves
God says 'Please
Take care of these.

पेड़

धूप बरखा पाला सहता,
फिर भी कुछ न कहता।
हम पर छाया करता पेड़,
हमको फल देता पेड़ ।

TREES

A tree has dark green crown.
It has trunk above the ground,
It gives fruit, it gives food,
It gives medicine, it gives wood,
Fresh oxygen for health is good,
Plant more trees to save livelihood.

सुन्दर तितली

बैठ फूल पर सुन्दर तितली ,
हँसकर मुझको यूँ बोली ।
फूल न तोड़ो, मुझे न छेड़ो,
छेड़ोगे तो उड़ जाऊँगी,
पास कभी न आऊँगी ।

Little seed

I am a lovely little seed,
To make me grow you have to feed,
Air, water and sunlight,
All I need to grow my height,
As a tree from my shoots,
I give shelter, I give fruits.

STORY FOR JULY '11

THE COWS AND THE LION

Once upon a time, there lived four cows in a village. Every day the cows used to graze together in the nearby forest. One day a lion saw the cows grazing in the field. He tried to attack them. When the cows saw the lion they all united, mooed and chased him away. After some days the cows quarreled with each other and began to graze separately. Since they were not united, the lion got a chance to kill them one by one.
