STORY FOR OCTOBER'11

TWO FRIENDS AND THE BEAR

One day two friends , Tom and Sam were walking through a jungle. They saw a bear coming their way. They were frightened. Tom ran to a tree and started climbing it leaving his friend alone. Sam did not know what to do. He lay down on the ground and acted like a dead man. The bear sniffed him and went away. Then Tom climbed down the tree and asked Sam what had the bear told him .Sam said that the bear had told him not to be friends with selfish people who leave their friends in danger.
