STORY FOR FEBRUARY & MARCH ' 12

DOVE AND THE BEE

Once a bee fell into a pond and was struggling to come out. A dove sitting on a tree saw this and dropped a leaf for the bee to climb on. The bee got on the leaf and reached the edge of the pond safely. A few days later the bee saw a hunter aiming his bow and arrow at the dove. At once the bee stung the hunter. The hunter cried out in pain. On hearing the scream the dove flew away. Thus the bee saved the dove and they became good friends.
