STORY FOR NOVEMBER '11

THE CAP SELLER AND THE MONKEYS.

One day a cap seller went out to sell his caps. On the way he got very tired and slept under a tree. On that tree there were lots of monkeys. They climbed down the tree and started playing with the caps. After sometime the cap seller woke up and saw the monkeys wearing his caps. He tried many tricks to get his caps back but failed. Finally he threw his own cap down. The monkeys also threw the caps down. The cap seller picked up the caps and walked away happily.
