## STORY FOR OCTOBER'11

### **THE GREEDY DOG**

One day a dog was passing by a river. He had a bone in his mouth. While crossing the bridge he saw his own reflection on the water. He thought that was another dog with a bone. He became greedy and wanted that bone also. He started barking at his own reflection. As soon as he started barking, the bone fell in to the river. Thus he lost his bone. So the dog learnt never to be greedy.
