FROG

Twenty froggies went to school
Down beside a clear pool
Twenty little cloaks so green
They all looked smart and clean
Twenty little bags in hand
They marched like a perfect band
Twenty little caps on head,
"Good Morning Ma'am"
They croaked and said.

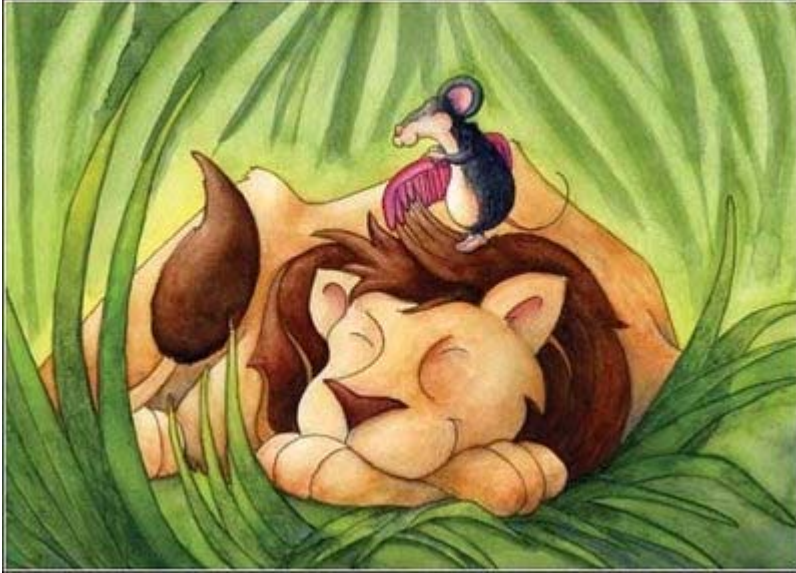

वर्षा रानी

Its orange white and green
Salute the flag, salute the flag

STORY FOR AUGUST'11

LION AND THE MOUSE

Once upon a time a lion was taking a nap under a tree. A mouse came by and started playing with the lion's tail. The lion got angry and he caught the mouse. The mouse said, "Please don't eat me. Some day I will be of help to you". The lion let him go. One day, the lion got caught in a hunter's net. He cried for help. The mouse came along, chewed the net and set the lion free. The lion thanked the mouse and they became friends.
